

BOARD MEMBERS, SOUTH WALES, VOLUNTARY

Who we are

First Choice Housing Association is a specialist and innovative organisation providing homes for vulnerable adults. Working across Wales the association was originally established in 1988 to provide accommodation for people with a learning disability. The association is committed to enabling many vulnerable people, including those with a disability, complex needs and veterans to lead a full and valued life within the community. We currently have over 800 tenants and employ 27 staff.

What we are looking for ...

This is a unique opportunity to make a difference to peoples' lives. We have a vacancy to join our Board and are looking for someone who can work as part of a team to contribute to the strategic direction and success of the association. We would especially like to hear from people with the following skills....

We are keen to ensure the association has a diverse Board and as such welcome applications from younger members, disabled and transgender applicants who can provide a valuable and positive contribution to the Board.
