Who we are

First Choice Housing Association is a specialist and innovative organisation providing homes for vulnerable adults. Working across Wales the association was originally established in 1988 to provide accommodation for people with a learning disability. The association is committed to enabling many vulnerable people, including those with a disability, complex needs and veterans to lead a full and valued life within the community. We currently have over 700 tenants and employ 22 staff.

What we are looking for ...

This is a unique opportunity to make a difference to peoples' lives. We have a vacancy to join our Board and are looking for someone who can work as part of a team to contribute to the strategic direction and success of the association.

The work is extremely rewarding and, whilst carrying no remuneration, out of pocket expenses, mileage and childcare allowances will be reimbursed. We would especially like to hear from people with....
