Case Study

Market Drayton - Bradbury Rise

Shropshire CBC—Leasehold

Client Group: Learning Disabilities

First Choice Housing Association have worked with Shropshire County Borough Council to provide four flats for people with learning disabilities.

The property constructed by I.B. Construction has the aim of facilitating independent living through four self-contained flats. The property has the addition of on-site, sleep-in support. The independent living experience is fostered through peer interaction and the development and sharing of skills.

The ground floor apartments have been designed to accommodate wheelchair provision and we have maximized the size of each apartment to achieve a sustainable wheelchair standard.
